

Heart Research Faces Future Challenges

(This third and final article in a series presented by the local Heart Association is to inform readers of this newspaper about progress in the fight against heart and circulatory diseases.)

Your Heart Association is now completing its twentieth year as a national health agency. As noted in the first two articles of this series, it has been the spearheading force behind an 18.4 per cent drop in the cardiovascular death rate for persons below 65 since 1950. What are the prospects for the next twenty years?

Nobody can give an exact answer to the question. But many competent authorities think it likely that great advances are likely, and that progress during the next two decades will surpass that of 1949-1969. These possibilities have been mentioned:

- * Prevention and control of conditions causing heart attack (now responsible for about 559,000 deaths yearly in the United States) and stroke (cause of over 201,000 U. S. deaths annually). Realization of this goal would constitute one of the greatest medical achievements in human history.
- * Identification of causes and prevention of inborn heart defects with which about 25,000 babies are born yearly.
- * Increased knowledge leading to successful transplantation of hearts and other organs.
- * Development of an effective artificial heart, with a fully-implemented power source, as well as perfection of "assist" mechanical devices to help hearts in distress.
- * Extension of already-tested "coronary care units," or their equivalents, to all hospitals in the country treating acutely ill persons. These units, which provide for continuous monitoring of vital functions of persons surviving heart attacks, with an alarm system bringing personnel trained to cope with sudden emergencies, improve the survival rate by as much as 30 per cent. They are now available only to about a third of surviving heart attack patients.
- * Further substantial gains also are expected in the fight against rheumatic heart disease, already widely-regarded as being preventable by knocking out the

"strep" infection, which almost always precedes rheumatic fever. Some scientists believe that a reliable vaccine, immunizing young people against "strep" infection, is in the offing.

Dramatic advances in cardiovascular surgery are quite possible. During the 1949-69 era, this type of surgery focused on correction of inborn heart and blood vessel defects, arterial grafts, valve replacements and relief of conditions resulting from rheumatic heart disease. Additionally, heart transplantation moved into its clinical trial phase. During the next twenty years medical scientists are likely to improve existing techniques, and develop many new ones.

Apart from what is done by science and medicine man himself may play a big role in reducing the risk of heart attack and stroke during the next twenty years. The steps he can take include periodic health examinations, which give his physician an opportunity to detect and begin treatment of any high blood pressure or diabetes that may be present; avoidance of cigarettes,

maintenance of normal weight, regular physical activity, and adherence to a diet which substitutes polyunsaturated fats (chiefly from vegetable oils and fish) for animal fats and which has fewer high-cholesterol foods.

Any look at the future also must take into account another vital consideration—your Heart Association, now needed more than ever before. Its highly successful research program, having contributed so effectively to virtually every recent advance in cardiovascular medicine, surely warrants extension. So do its programs of professional and public education, as well as its community heart programs, which must continue to bring the benefits of new knowledge to the grassroots of America.

And how can the individual help? One way is to work as a Heart volunteer, actively and personally participating in the fight against heart and blood vessel disease. Another way is to give generously to the 1969 Heart Fund Campaign, which is being conducted throughout February.

Work is progressing rapidly on the new Antioch Township Library, and in a special meeting Friday several bids were awarded. Martin Peterson Sheet Metal, Inc., of Kenosha, received the heating and air condition contract with a bid of \$34,300; Carey Electric of Antioch was the successful bidder for plumbing with a bid of \$10,900; and Allhoff's, Inc., of McHenry got the electrical contract with a bid of \$30,779.

The Zoning Board of Appeals petitioned the Antioch Village Board for a meeting to determine the future development along North Main Street.

The letter asking for a meeting, was presented to the village board Tuesday night by Thomas F. Haley III, chairman of the Zoning Board of Appeals.

In his letter Haley pointed out that the area of concern was bounded on the north by North Avenue, on the west by Main Street, on the south by Charles Court and on the east by the Soo Line tracks.

Mayor Raymond Toft told Haley that he would set up a meeting with the village planning commission and the points could be discussed.

Haley's letter asked three questions. They included:

1. What long range plans have been established by the planning commission?
2. Can the village control conformity of buildings in this area if each lot is changed in zoning and improved by individuals, instead of a planned development for the entire area?
3. What can be done to prevent piecemeal multiple family dwelling units in this area?

Haley, in his letter, pointed out that the zoning board realized direct control of building codes

84 Antioch Students Make High Honor Roll

Eighty-four Antioch High School students made the high honor roll for the first semester of 1968-69.

Another 122 students were listed on the honor roll.

To make the high honor roll a student must have 18 grade points and no grade lower than a "B". An asterisk identifies those who made straight "A's".

To make the honor roll a student must have 16 points and no grade lower than a "C".

Those on the high honor roll include:

SENIORS—
Bonnie Bohzien, Linda Herman, Heather Hunley, Edward Jennrich, Christine Johnson, Thomas Nickerson, Tom Radke, Maureen Rooker, Karen Sheehan, Pamela Stewart, Valerie Strom, Robert

Valentine, Carol Westlund.

JUNIORS—
Ainsley Brook, Debora Chandler, Barbara Druze, Robert Hunt, Wendy Jensen, Linda Lanco, David Longly, Kathleen Mallory, Pamela Marty, Avis Minger, Thomas Nelson, Rick Nelson, Ronald Ozga, John Prossie, Frank Rayniak, Cheryl Reckers, Jennifer Stockstill, Michael Temple, Thomas Tossey.

SOPHOMORES—
Joel Bliss, Robert Blue, Renee Bobzien, Geraldine Boesenberg, Carol Boreen, Bruce Carlson, Daniel Carriek, Kathleen Chase, Janice Doolittle, Janice Dowell, Robert Gross, Eve January, Claudia Kinast, William Lahiti, Patricia LaParo, Janet Lemcke, James Moore, Michael O'Neill, Heather Petty, Janet Pol-

grove, Janice Radke, Marty Ro-main, Susan Severson, Bruce Shostak, Linda Soland, Bryan Sor-censen, Terry Stewart, Debra Toft, Elaine Wells, Kathleen Wurster.

FRESHMEN—
Vera Baewyn, Krista Barlow, Charles Bloom, Cheryl Golonka, Jennifer Hotchkiss, Pamela Hun-ley, Linda Kanka, Donna Kessler, Kimberly Landi, Nicolette Mod-a-ber, Sharron Morgan, Gail Muel-bachich, Candace Nelson, Martin Phillip, Marianne Pleviak, Barbara Polsgrove, Sharon Prange, Joanne Robis, Gary Rush, Cary Vistain, Liida Wil-mer, Karen Yopp.

On the Honor Roll:

Janet Andersen, Irving Barthel, Jane Beck, Roger Bocox, Dennis

Tutoring Program A Success

A total of 173 students took part in the student tutoring program during the first semester. Sixty-six students assisted 107 boys and girls in 27 different courses.

Tutors in the areas of math, foreign languages and science were in the greatest demand for the first semester. The names of the students who volunteered and were assigned as tutors are listed below.

The number after some names designates the number of students tutored.

Ronna Andrews (4), Diane Baginski (2), Lynn Barthel, Holly Bartlett, Cindy Blake, Dennis Boer, Ainsley Brook, Ruth Brooke, Beverly Calloway, Debby Chandler, Kathleen Chase (3), Bob Cichon, Erich Claeson (2), Mike Clark, Cheryl Crawford, Charmaine Daniel (2), Craig Dayton, Allan Elliot (3), Dawn Ellis, Lynn Fowle, Pam Guardi, Lynn Hall, Donna Hanson, Charles Hollacker, Robert Hunt (2), Eve January, Ed Jennrich, Ruth Justad, Denise Kolar, Cory Kovaciny, Ed Krupo, Sherrie Leffer (3), Laura Larson, Mari Lulofs

Julia Martin (2), Kathi Mayerle, James Miller (2), Avis Minger, Alana Nelson, Marilyn Olson, Lynn O'Meara, Darlene Owens, Cheryl Patterson (2), John Pedersen, Linda Pennell, Sue Severson (3), Edwin Krupo.

Window Vandals Sought

Ralph Fomer is offering a \$100 reward for information leading to the arrest and conviction of the vandals who threw two bricks through his picture window in his home on Shannon Ave., Channel Lake, last Saturday night.

Fomer said that the cost of the damage to the window, a large thermopane, is \$400.

He pointed out that any information he receives will be confidential.

Fomer is having posters made up with the reward offer on them and will place them throughout the Antioch area.

Quaker Damage At \$5,000

A fire, which is believed to have been caused by a careless smoker, did an estimated \$5,000 damage to finished products at Quaker Industries, 99 McMillen Road, Antioch, Monday night.

The fire broke out around 6 p.m. and a sprinkler system in a warehouse near the railroad tracks set off the alarm or damage could have been much greater.

While material in the warehouse was damaged by the blaze there was no damage done to the building, itself.

Firemen from the Antioch Fire Department were at the scene for about an hour to make sure that the blaze was out.

2 Antioch Students Win Praise

Two Antioch High School students have been named as "First Semester Department Leaders" in the Waukegan Area Vocational Center at East Campus of Waukegan High School.

Duane Troyer was named by Arnold Schlegel in the business computer programming and business data processing field.

Joe Torri, Jr., was named by Fritz Krause in the vocational auto shop.

Architect Present At Grade School Board Meeting

The Antioch Grade School Board held its regular meeting Tuesday. The architect and engineer were present and the location of a driveway for the school was discussed. It was thought that a driveway from Highway Drive would be more practical than a drive off Route 173. Sewer and water facilities for the building were also discussed. A further study will be made of these matters at another meeting March 4.

In other action the necessary papers were signed for the Title I summer program. Easter vacation was also discussed and if there are no snow days used until then, Easter Monday will be included in the vacation.

Cubs Have Blue-Gold Dinner

Cub Scout Pack 192 of Antioch opened its Blue and Gold Dinner meeting with the presentation of the colors by the Webblows Den.

A fine buffet style dinner was enjoyed by the Cubs, their parents and honored guests; after which former Cubmaster Joe Hellstern led the group in two rousing action songs.

Ray Gallagher presented the new charter to Jim Bloss, the Institutional Representative from the State Bank of Antioch which sponsors the Pack. A scout ID bracelet was given to each Cub scout as a gift from the bank.

Awards for years of service were presented to Joe and Rosina Hellstern, Betty Christiansen, Gordon DeBoer, and Ruth Renfro.

The Cub Scout Promise and the

Law of the Pack were recited by the four new Bobcats being inducted into the Pack. They are Lee Brooks, Michael Comors, John Fields, and Adolph Kirby. These boys will now actively participate in all scout activities.

Wolf badges were awarded to Duncan Hucker, Chris Odds, Tim Murphy. Arrow points on the Wolf badge were given to Frank Bessette, Jim Bucar, Kevin Gallagher, David Marcusen, Tim Murphy, Chris Odds, David Stowe, Paul Strahan and Davis Zitkus.

Keith Gant received his bear badge and arrow points were awarded to Jerry Schmidt, Paul Strahan, John Renfro and Frank Bessette.

A denner badge went to Tom Zeman and assistant denner

badges were given to Michael Wirth and James Bucar.

Year pins were awarded to Brian Andrews, Terry Dayton, Patrick Houghton, Tim Murphy and David Zitkus.

Webblows awards went to Mike Ware—Naturalist, Frank Bessette—Engineer, David DeBoer—Engineer, and Jerry Schmidt—Craftsman.

The following boys are now members of the Webblows Den—John Guerra, Robert DuBek, Mark Haley, Paul Strahan, Mark Stewart, and Patrick Houghton.

Year pins for Den Mothers were presented to Alice Bessette, Ruth Renfro, Pat Christiansen and Sheila Schroeder.

Music with bottles was the clos-

(Continued on page three)

Participating in the festivities at the Pack's dinner were, back row, from left, Mike Ware, Ray Gallagher, Joe Hellstern, and Robert Walsh. In the front row are, from left, David DeBoer, John Christiansen and Terry Dayton.

WEATHER REPORT

Total snow for season—30.30"

So far, February has been very kind to us. We have seen more sunshine this month than we have in the last three.

Ice fishing is picking up, saw a nice three pound Walleye caught Saturday on Lake Catherine, and a five pound Northern. The Crappies have been around most of the winter, it was just a matter of hitting the right spot, but I have not heard much about the Blue Gills.

Quite a few snowbirds were running around on the lake, but you have to watch the channels or you will be going for an early dip.

I know we all think it is "Time for a Change" but Spring is still four weeks away.

A Solution

College unrest is becoming part of the American scene.

But it doesn't have to be.

And State Sen. Karl I. Berning has come up with a bill in the Illinois Legislature that we believe would be a splendid idea.

The measure is Senate Bill 47 and we support it wholeheartedly because we believe it would be a step in the right direction to curb the malcontents infesting our higher institutions of learning today.

It is a very simple bill—only one page—but it could set the pattern for legislatures around the country and bring the colleges back to the students who go there to learn and not burn.

It is a bill which deals with the expulsion of students from state-supported institutions of higher learning. And it simply lists five conditions under which students may be expelled.

They are:

1. Any acts of vandalism resulting in damages in excess of \$50.
2. Participation in a riot or unlawful assembly.
3. The unauthorized appropriation or occupation of any building of the institution.
4. The deliberate, forcible and unlawful interference with the freedom of movement of any person at the institution.
5. Any other unlawful act directed against the institution.

Now we believe that those are a simple set of standards for anyone to follow.

Many parents are hard-pressed these days to get the money together to send their youngsters to college. It is not a cheap education that you are buying.

But with the rioting on campus—the sit-ins—the other demonstrations—we are wondering why someone hasn't thought of this simple solution before.

Sen. Berning is from Lake County. He is not against youngsters, having some of his own.

But he is for education in an atmosphere where an education can be had.

We wholeheartedly support this legislation.

We ask your support also.

Petitions are being circulated in favor of the measure and if you are called upon to sign we hope you won't hesitate.

We won't.

Support Needed

The move to establish a war memorial in the Village of Antioch is making good progress but it needs help.

At the present time there is \$1,800 in the kitty toward a stone that will cost \$2,700 complete.

The committee from the American Legion and the Veterans of Foreign Wars, sponsors of the project, want to order the stone by March 15 in order to have a dedication ceremony in August.

They cannot order the stone, however, until they have the money to pay for it.

It is being entirely supported by contributions from throughout the Antioch area.

At the present time the project is \$900 short and needs an angel, or several angels to boost the contributions over the top.

We urge support of this worthwhile project to honor our servicemen.

Benefits Payments \$199,897

During 1968 the Veterans Administration paid \$199,897 in compensation and pension benefits to Illinois veterans and dependents of deceased war veterans, John B. Naser, manager of the Chicago VA Regional Office, said today.

At the end of the year, 138,232 Illinois veterans were receiving compensation—payment for service-connected disabilities or non-service-connected pension

benefits based on need from VA, Naser said.

The VA regional office manager noted that the widows, children and dependent parents of 61,665 deceased war veterans were on the pension and compensation rolls at the end of the year.

These payments accounted for 49.9 per cent of expenditures by VA in Illinois during 1968.

Remaining VA funds went for education and training assistance allowances for veterans and war orphans, G.I. home loans, hospital and medical activities, insurance and indemnities, and administrative expenses, Mr. Naser said.

Letters to the Editor

Dear Sir,
In reference to your editorial of last week, I have this comment to say:

You should be glad that the "answering service" doesn't give out information on location of fires. The firemen have a tough enough time driving through the traffic (people who don't pull over when they see the blue lights) without adding spectators going to the same location. If just anyone could call, it would tie up the lines for other fire calls.

As a fireman's wife of over 10 years, I have yet to call the answering service for the location. If I want to know—had enough, I will call one of the firemen's wives.

And, while on the subject, let's give a little credit to these men who put their lives in danger to protect YOUR property and MINE!!

Shirley Gutowski
Fireman's wife

Dear Editor:

Re: A Wonderful \$2 Investment, for Older Persons.

We often read letters from persons facing the problems of growing older . . . how to lead lives of purpose, independence and dignity; how to develop and enjoy new interests and activities and more importantly, how to stretch the retirement dollar.

I would like to tell these people that there is an organization that can help them with these problems that face 20 million other older persons . . . the non-profit, non-partisan American Association of Retired Persons, in which membership costs only \$2 covering both husband and wife!

The aim of its one and a half million members is to provide leadership for the great reserve of energy, talent and wisdom found among the nation's retired. There are 500 local AARP Chapters among this nation-wide fellowship of like-minded people, concerned with problems of inactivity, loneliness, health and money.

Tangible dollars-and-cents benefits from being an AARP member are many:

PUBLICATIONS—The colorful "Modern Maturity" and the "AARP News Bulletin," published in alternate months.

LEGISLATIVE REPRESENTATION in the U. S. Congress on issues affecting older persons.

DRUGS at substantial savings are available, to members, by mail or direct purchase, from three convenient locations.

Travel geared to mature requirements, all-inclusive, at minimum cost, professionally handled, everywhere in the world.

INSURANCE at low cost for group in-hospital and out-of-hospital coverage. Auto insurance

Traffic Deaths Decline

One hundred and forty persons were killed in Illinois traffic accidents during January. This is a decrease of 20 per cent from the 174 traffic fatalities reported in the same month last year.

The statistics, compiled by the Bureau of Traffic in the Division of highways and by the Illinois State Police, were announced by Public Works Director William F. Cellini.

Cellini said the 1968 provisional traffic death toll for the state now stands at 2,485. This represents an increase of two deaths or less than one per cent, over the 2,483 persons killed during 1967.

Painting Stolen At Diamond's

Thieves made off with a two by three foot mountain scene painting valued at \$100, from over the main entrance to the George Diamond Steak House, Rte. 59 and Grass Lake Road, Antioch Township, Saturday night.

The painting was done by Jackie Horton of 798 Main St., Antioch.

that is non-cancellable to age of 80.

AARP, American Association of Retired Persons, Antioch, Illinois 60002.

The Editor
The Antioch News
966 Victoria Street
Antioch, Illinois 60002

Dear Sir:

In a recent editorial the Fire Department was accused of managing the news and violating the right-to-know law because our dispatcher would not give a reporter the location of a fire call.

It has been a long standing rule even in the days before the present dispatching system for the operators to give no information to anyone except properly identified fire personnel. This is done because there has always been a problem of overloading telephone circuits with calls from the curious.

At the time a call is received the dispatcher must alert the firemen by radio and whistle, be ready to answer the direct line from the station; direct the police to intersections for traffic control, and answer from one to four radio calls from mobile units. This is done, generally, in a time period of two minutes, leaving the dispatcher very little time to talk with anyone.

The Fire Department records are open to the public for inspection if such inspection is sought in a reasonable manner. The records are kept by the Fire Department Officers and not the dispatching service.

If the editor is so inclined and will contact the Fire Chief he will be given a telephone number that is used by other news media to obtain information.

I feel with a little effort the above information could have been obtained and would have made unnecessary the editorial which was a disservice to the Fire Department, the Antioch Answering Service and the Antioch News.

Very truly yours,

Charles P. Maplethorpe

Chief

Members of the Antioch Volunteer Fire Department

State highway use taxes paid by one large truck on the average are the same as taxes paid by 32 passenger autos.

Artists To Show Paintings

Amateur artists in Lake County are invited to submit their original paintings and other art items in the ninth Lake County Town and Country Art Show. The show will be held in the Farm Bureau Building on the Lake County Fair Grounds, Tuesday and Wednesday, March 25 and 26.

It will be open to the public from 1:00 to 10:00 p.m. on March 25, and 9:00 a.m. to 9:00 p.m. on March 26.

Three separate exhibits, according to age groups will be held. Exhibits will be grouped and judged as follows: eighteen years of age and older, under eighteen or high school students, and those in grade school or below.

All entries will be judged by competent judges approved by the University of Illinois and selected by the Lake County Cooperative Extension Service Staff.

Artists may submit up to three different original paintings or other art items made during the past year. Paintings may be in oil, water colors, pencil, charcoal, pastels, ink or any media on paper, canvas, or flat surface. Ceramic pieces, metal enameling, wood carving, weaving, and other handicraft items can be entered.

A complete list of rules and procedures can be obtained by writing the Lake County Extension Advisers, Ray T. Nicholas, or Helen Volk.

This show is sponsored by the Lake County Agricultural and Home Economics Cooperative Extension Service of the University of Illinois. Last year's show drew a total of 520 entries by more than 200 amateur artists.

Elsey Wins Degree

William L. Elsey, of Rte. 2, Antioch, was one of 242 students awarded bachelors' degrees at the conclusion of the fall academic quarter at the University of Illinois Chicago Circle Campus.

Dr. Buller Opens Office In Antioch

Dr. Ralph R. Buller, former director and founder of the Camelot Chiropractic Center, Collinsville, has opened an office for the practice of chiropractic in Antioch.

Dr. Buller, in addition to being a chiropractor has done extensive lecture work in the field of human relations. He is one of the founders of the Illinois chapter of the Parker Chiropractic Research foundation.

Dr. Buller holds a sponsoring membership in the Edgar Cayce Foundation, is Past president of the Prairie State Chiropractic Assn. Dist. 7 and instrumental in helping chiropractors obtain licensure legislation in 1959.

He has received humanitarian awards recognition from the Columbia Institute of Chiropractic in New York, the Spears Chiropractic Hospital in Denver, Colo. He served with the navy in Korea prior to attending Palmer Chiropractic College in Davenport, Iowa, where he also interned. Dr. Buller also did additional work at the Illinois State Hospital in East Moline.

Dr. Buller is married to the former Patricia C. Rick of St. Louis, Mo.

Jaycees Planning Art Show

The Lake Region Jaycees are planning a Spring Art Show to be held April 26 and 27.

Exhibits of all types of framed or matted paintings, oil, water colors, pastels, drawings, print or sketches, sculpture, ceramics and photography are sought.

The purpose of the project is to provide a cultural program for the village of Antioch and vicinity and to provide a viewing and sales media for area artists.

There is limited space available so Dick Schlarbaum advises early entry.

Illinois Bell Show Set

Public utility representatives and equipment manufacturers will gather near Chicago this fall for another three-day show sponsored by Illinois Bell Telephone Company.

The unusual event, scheduled for Sept. 16-17-18, will again be held on a 10-acre site near Elburn, Illinois, about 35 miles west of Chicago, according to O. H. Maucker, Illinois Bell staff engineer and coordinator.

Maucker said manufacturers will display the latest equipment for burying wire, cable and pipe; stringing telephone and electrical lines, moving earth—in general, the construction tools used by telephone, gas, electric power and water companies.

The last Illinois Bell-sponsored show in 1966 attracted about 110 manufacturers from all over the United States. More than 5,000 public utility representatives attended, from as far away as Australia.

Both the telephone companies and our fellow utilities are constantly seeking new ways to provide better service to a constantly growing number of customers," Maucker said. "Equipment shows help us find the most efficient and economical methods of carrying out our construction."

Entries may be mailed to the Lake Region Jaycees, Box 254, Antioch, or by calling Schlarbaum at 395-4265.

FEDERAL TRUCK TAXES
More than \$1.7 billion in federal highway use taxes collected annually from the organized trucking industry goes into the Highway Trust Fund to pay for the 41,000-mile federal system of interstate and defense highways. Due for completion in the 1970's the system has been hailed as the greatest engineering effort of all times.

FILING METAL
Take a tip before starting to file non-ferrous metals, such as brass, copper or aluminum, and rub the teeth of the file with a cake of carpenter's chalk. Then all you have to do to clean it is to tap the file against the bench occasionally. Renew the chalk coating from time to time.

Trucks carry 54 per cent of all vehicles from the assembly lines to dealers and customers.

Rabies Case Reported In Lake Co.

Lake County Rabies Inspector John H. Wawirka, DVM has reported the first positive case of rabies this year. Like the two cases reported in 1968, Dr. Wawirka says this one occurred in a skunk. The animal bit a rural Waukegan man's dog. Tests proved the skunk was carrying the disease. By State law the dog, a mixed breed, must be put to death because the owner could show no proof of inoculation.

Even if a dog had been inoculated against rabies during the past year the recommendation is that it be put to sleep. An alternative, if the animal has been vaccinated within the preceding 12 month period, is to inoculate it again then hold the dog in confinement for a period of some weeks to make sure it has not contracted rabies.

The only known way to make a positive identification of rabies is to have brain tissue tested in a laboratory. All pet owners are reminded to have their animals vaccinated once each year.

A new pamphlet, "Pet Owners Guide," edited by Dr. Wawirka and County Animal Warden S. Lino Garwood, has just been published and may be obtained soon through your local veterinarian or the Lake County Information Office.

Future Growth ...

(Continued from page one)

are outlined in the village code, but he added from past hearings it has become evident all of the land will be zoned to R-5 in the near future.

The village board then voted unanimously to approve a zoning board recommendation for a change of zoning in the area in question from single family to multiple family.

It was a petition by Donald E. and Wilma Gibbs to put a 10-unit apartment building on North Main Street.

In other action the board approved a request from the American Legion to hold a carnival in the village July 1 through 6 subject to approval of the site.

It was also reported that the War Memorial Fund is increasing.

The stone will cost \$2,700 and the committee has already managed to get \$1,800 together.

It is hoped that the stone can be ordered by March 15 and an August dedication of the memorial is tentatively planned.

In other action the board approved the purchase of a police squad car from John Teresi who had a low bid of \$2,330. Other bidders were Don Pittman Motors, \$2,569; Earl Stringer, \$2,747; and Lyons-Ryan, \$2,575.

The board also approved Donut Day for the Salvation Army on June 13. In case of inclement weather it will be held June 20.

A report was made to the board by Trustee Robert Wilton to the effect that eight street lights have been erected in Oakwood Knolls and only two more are left to be installed.

Tutoring Program ...

(Continued from page one)

Barbara Sander, Pat Schmidt (3), John Schremer (3), Karen Sheehan (3), Steven Sodman, Sue Sorenson, Susan Wittleder (2), Les Surrock, Michael Temple, Sherry Thompson (6), Debbie Toft (2), Bob Valentine (3), Jim Van Doren (3), Charles Waters, Carol Westlund (2), Janet Wilson (2), Kathy Wurster (4), Paul Yuskas, Debra Zeason (2).

The names of the tutors will be posted on their permanent record card which is used for college admissions, employment, military service, etc.

A list of the tutors will also be submitted to the FTA and the National Honor Society for service point credit.

Jr. College To Open Doors In September

The Board of the College of Lake County took action during its meeting last week that moved the college several more steps toward its formal opening in September.

The Board adopted the official calendar for the 1969-70 school year, showing student registration Sept. 8 and 9, with classes to begin Sept. 11.

The calendar coincides with that of Northern Ill. University and will follow, as closely as possible, the holiday schedule of local school districts. Applications for admission will be available about Feb. 25 in the College office and through high school counselors.

The Board also named Modulux of California, manufacturers of prefabricated buildings to draw up bidable specifications for interim facilities for the college. It is expected the specifications will be ready to let to qualified bidders in about 30 days.

It is expected the temporary facilities will require about 60,000 square feet, and will include administrative offices, library, college center, laboratory and special services areas. This area could be expected to accommodate 1,000 to 1,500 students this fall. College administrators expect to have use of part of these facilities by Aug. 1, with the remainder completed shortly thereafter.

Location of the temporary facilities on the permanent site was also discussed and approved. The buildings will be placed on a section of the land fronting Druce Lake Road on the eastern edge of Grayslake. Parking areas will also be provided.

The board approved purchase of a basic library collection through Xerox Corporation. The books will be pre-processed and ready for use when received.

The first two phases of the collection, about 4,000 books, was approved for order now, with a total of 10,000 expected by the time college convenes this fall. The College is now looking into additional space to house the volumes until the library is built.

Two seats on the College Board will be filled in the April 12 election. Mrs. Thelma Sandee and Oby Cowan, incumbents, have announced they will seek reelection.

The board approved use of 31 voting precincts within the College District. Precinct sites will coincide with high school district polling places to make it convenient for voters to participate in more than one board election that day. The polls will be open from 12 until 7 p.m. on election day.

Four new staff members were also named to the College. Peter R. Bakas of Arlington Heights was appointed Dean of Business Services; Raymond W. Janota of Park Forest will be Chairman, Division of Science and Mathematics; Clifton L. DeBates of Mattoon was named chairman.

State Receives Law Plan Grant

Illinois has received a federal grant of \$833,050 for comprehensive law enforcement planning.

The Governor's Committee on Criminal Justice will use 60 per cent of the funds; the remainder will be distributed to local governments. Matching funds equal to 10 per cent of grants must be provided.

Gov. Richard B. Ogilvie said the grant was received from the Law Enforcement Assistance Administration, under the Omnibus Crime Control and Safe Streets Act of 1968.

Pioneer Opens ...

(Continued from page one)

sembled by high-speed computers.

The history of every lot and parcel of land in Lake County is stored in individual files which take up one-third of a mile of shelf space. In addition, all documents relating to real estate recorded in the Lake County Recorder's office are microfilmed daily by Pioneer, and prints are filed in the folder for each applicable parcel of land.

All tax, special assessments, and Circuit Court records have been gathered by Pioneer from 1890 on. This information is also assembled on a daily basis.

Pioneer is a member of the largest group of Title Insurers in the nation, with Illinois branches in Cook, DuPage, and Lake Counties.

The company is temporarily located at 203 Water Street, Waukegan, and in the Spring will occupy the Pioneer Building under construction at County and Madison across from the County Administration Building.

Red Cross Services Are Costly

The cost of Red Cross services to the American people—sparked by mounting demands for services to military personnel and a series of unpredictable disasters—climbed to \$122,457,011 in the 1967-68 fiscal year.

Tilden Cummings, president of the Continental Illinois Bank of Chicago and chairman of the local Red Cross, noted that the Mid-America Chapter serving metropolitan Chicago spent \$4,323,350.05 of the national figure.

Expenditures for aiding the armed forces and their families were \$48,440,467 nationally and \$746,593.13 locally. Cummings said that nearly one in every three members of the U. S. armed forces received help from Red Cross. Each month, at military installations and hospitals,

an average of 107,600 servicemen got assistance. In their home towns, 733,100 servicemen's families and 103,200 veterans' families received aid from Red Cross chapters during the year.

Cummings said Red Cross' second major effort was aid for victims of disasters in the United States. During the year victims of catastrophe were given assistance in a total of 19,100 disaster situations, such as fires, floods and tornadoes, with 58,800 families receiving long-term help in returning to normal living.

The Board of Directors of Emmons Grade School will hold a public meeting to discuss the proposed 21-cent Educational tax rate increase.

The meeting will be held in the school multipurpose room Tuesday, Feb. 25, at 8 p.m. All interested residents of the district are urged to attend.

Horticultural Program

Lake County homeowners and others interested in growing better flowers, fruits and lawns are eager to attend the horticultural school Tuesday, Feb. 25, according to Ray T. Nicholas, Lake County Extension Adviser.

Similar programs will be presented at each of two sessions, one of which is from 1:00 to 3:00 p.m. and the other from 7:00 to 9:00 p.m.

NI-Gas Notes Growth

In a quarterly report now being mailed to Northern Illinois Gas Co. shareholders, Marvin Chandler, chairman and president, said notable customer growth was made in 1968, especially in the utility's commercial and industrial markets.

Chandler reported that NI-Gas increased its number of commercial customers by 3,028 and its industrial accounts by 710. This represented a 6 per cent gain in the commercial area, and 10 per cent in the industrial market.

The NI-Gas chief executive officer said 37,224 new customers of all classes were added to the utility's customer family in 1968. At year-end, there were 1,015,579 customers served by the company.

Safety Programs Pay Off

Since the birth of the Safety Commission in 1956, one of its primary objectives has been to investigate, study, and analyze traffic problems, and to institute such programs that would reduce accidents and fatalities. It appears, that these long ranged programs have proven successful.

Three significant things happened this year regarding traffic safety. There were no fatalities for 33 consecutive days, and only one in a 63 day period. For the second consecutive year, fatalities have been substantially reduced. And finally, while neighboring counties, states, and national figures have risen, Lake County experienced the fewest fatalities of the last six years.

This is especially surprising, when automobile registrations and miles traveled are increasing rapidly each year.

The School Safety Program, started two years ago, was well accepted and expanded. Through requests from many elementary schools, safety lectures were given and films shown to approximately 14,000 students. A School Safety Poster Kit Program was instituted and kits were forwarded to all County elementary schools. The kits consisted of nine monthly posters, displaying instructions, and a teaching guide for each poster. The program received good endorsement and will probably be continued.

During the year, four new films were acquired for the library, which makes a total of eighteen films. The films were utilized by schools, industrial firms, the military, churches, and various civic and social organizations.

One of the heaviest users were the Driver Education Instructors. Eight county high schools utilized the film library, by checking out over 100 films for approximately 10,000 Driver Education students.

The Public Information Program was active. Safety bulletins were forwarded weekly to 175 recipients. Many industries duplicated and posted these bulletins within their plants as part of their total safety program. News media received numerous safety releases, and the Executive Director appeared on radio discussion programs and fulfilled many speaking engagements. Holiday traffic safety was strongly emphasized throughout the year.

There was an increased emphasis on accident investigation. As a result of these investigations, many recommendations were made and a number of installations have been completed. Investigations were also conducted that originated from citizen complaints and Commissioner's suggestions arising from industrial and municipal requests were limited, but increasing.

The Special Projects Committee formulated plans for the County Fair and established priorities for funded programs. The Legislative Committee initiated safety resolutions and forwarded these resolutions to the Legislators. In addition, they are recommending legislation in ten areas of safety for 1969.

The Post Office Department operates a fleet of 56,607 trucks in addition to many other types of vehicles.

County Participates In Shelter Talks

A seminar on community shelter planning was held in Atlanta, Ga., recently, sponsored by the Office of Civil Defense and the University of Tennessee, which operates the training program in shelter planning.

Director Normand Drummond of the Lake County Regional Planning Commission attended the conference. It brought together people from all parts of the nation who are actively involved in community-wide shelter projects.

Drummond says the Lake County community shelter planning project has as its objective the identification of fallout shelters in existing buildings, and the preparation of a plan to use these shelters in the event of nuclear war.

Once the plan is prepared, each citizen of the county will be sent an information packet telling where to find shelter in time of attack and describing other information concerning the nature of radioactive fallout. Other program objectives include the identification of shelter deficits and recommendations for developing additional shelter in new buildings which are being constructed throughout the county.

The Lake County project, according to Drummond, is about one-half completed.

The clean machine.

MODEL A-1
ELECTRIC FURNACE

Your modern electric heating system hates dirt.

Maybe electric heat'll never replace the cleaning lady. But it can give her a lot less to do.

Because, unlike flame-systems, modern electric heat doesn't use up air. So it doesn't cause a draft that constantly draws in dirty air from outside.

Which means things stay cleaner. With modern electric heat—dust and grime just don't build up on windowsills, walls, and furniture.

The cost? About \$200 a year for an average 6-room house with proper insulation. And, believe us, it's worth it.

You'll miss the money a lot less than the dirt.

Commonwealth Edison Company

The bright new ideas are Electric.

Virginia Wells Weds Walter T. Henning

Virginia M. Wells, daughter of Mr. and Mrs. John J. Wells, Sr., of Rte. 3, Box 273, Antioch, became the bride Jan. 11 of Walter T. Henning, Jr., son of Mr. and Mrs. Walter T. Henning, Sr., of 963 Victoria St., Antioch, in ceremonies in St. Peter's Church with the Rev. A. J. Henderson officiating.

The bride chose a gown of candlelight satin fashioned with an empire bodice of all re-embroidered Alençon lace featuring an easy scoop neckline, short sleeves and an all satin A-line skirt with detachable Watteau train of satin edged in matching lace. It was accented by motifs of lace. Her four tiered ivory illusion veil was held by a forward of ivory organza rose clusters and lace petals.

She carried an elegant colonial bouquet of Jack Frost white roses intertwined with green ivy sprigs. The bouquet was surrounded by French lace. Showers of ivory picot ribbon descended from the bouquet in which traditional lovers knots were formed.

The maid of honor and bridesmaids were outfitted in rouge red velvet gowns, styled with a short sleeve, empire waist and sheath skirts with a white maribou fur at the hemline. They wore white maribou pill box hats and carried matching muffs with rouge red velvet roses attached.

The mother of the bride chose a light blue satin brocade coat ensemble with silver accessories. The mother of the groom wore a lime green coat ensemble with

Mrs. Walter T. Henning Jr. gold accessories.

Maid of honor was Patricia Wells with Susan Castle, Norma Heimbrodt and Nancy Welsh as bridesmaids. The best man was Stephen Henning and John J. Wells, Jr., Joseph Flaschner and Richard Good as ushers.

A reception for 350 followed at The Angels before the happy couple left for a honeymoon trip to New Orleans. They are at home in Antioch.

Social Notes

By Del Jahneke

Mrs. Joseph Rhymer entertained Mr. and Mrs. C. W. Wikoff and son, Bob, of Urbana, this last weekend. While the Wikoffs were here they visited relatives in Gurnee. Mrs. Wikoff is Mrs. Rhymer's daughter.

The Bernard Stadicks, accompanied by two other families from the Waukegan area, spent the previous weekend at Friendship, Wis., in the northern part of the state. There, winter is still in full sway with all its glory of snowy landscapes, frozen lakes and rivers. This vicinity has beautiful bluffs and hills, with many unusual rock formations. The three families went snowmobiling most of the time, with the added attraction of winter "campfire picnics" in the crystal, cold, clear air, for many of the meals.

Some twenty-five couples from the Antioch Evangelical Free Church enjoyed a pleasant evening out, dining at the Village Inn, Twin Lakes, Wis. The occasion was their annual Valentine Day's party.

The Harry Youngs of Waukegan were dinner guests at the senior "Edward Jahneke's Beach Grove, on Saturday, Feb. 8.

The Ray Rathmanns, Oakwood Knolls, and the Harold Newyears of Waukegan, attended the "Pioneers' Club" party of the Illinois Bell Telephone Co., held in the Homer Dahringier American Legion Home in Waukegan, on Feb. 15th. All Illinois Bell Telephone Company employees with 20 years or more service there are eligible to be a member of their Pioneers' Club.

Music Center Enrollment Is On Rise

Enrollment at The Music Center of Lake County for the spring term increased by 15 students from the fall term to 320 David Goodman, director, reported today.

He also said three new teachers have been added to the faculty and there still are openings in some classes. These include the classes of the new teachers and in ballet, and music and art for children 7 through 12 years of age.

The new teachers are Mrs. Betty Hansen, Lake Bluff, a violin teacher and concert performer who was trained at Oberlin College in Ohio; Mrs. Judy Sloan, Waukegan, a piano teacher and graduate of the University of Chicago and Sherwood School of Music. Also Skip Neiburger, Waukegan, instructor in folk guitar for teenagers and adults.

Goodman added there are openings in the exercise through dance class, and in some of the general classes offered by the fine arts school. He added that teachers are available for aiding public school students who plan to enter band and orchestra instrument contests this spring.

Tuition at the Music Center is based upon the ability to pay, with instruction designed to make the fine arts a part of the life of each student and to develop his talent. The school is located in Lilac Cottage, Bowen Park, Waukegan.

Valentine's Party Held By Neighbors

The Royal Neighbors, Olson Camp No. 459 held their Valentine Day meeting at the American Legion Hall on Feb. 11.

The flag of our country was presented by Effie Nelson and the Pledge of Allegiance was said by all.

The Secret Pals were revealed and a gift exchange was held. Birthday songs were sung to Ada Nicholas and Leona Eppers. Jello and coffee and tea were served by the hostesses, Bea Milz and Gladys Lokke and Ida Lokke.

The next meeting of the Royal Neighbors will be held on Feb. 25.

ployment the Fighting I has completed a 90,000 mile round-the-world cruise.

On the return trip the carrier made port visits in the Philippines, Australia, New Zealand, and in Brazil.

Within a few weeks Intrepid is scheduled for a six-month overhaul in the Philadelphia Naval Shipyard. During the ship's overhaul its 3,000 returning crewmembers will be given leave.

And then there was the computer that refused to work until it was promised at least two circuit breaks a day.

Sandra Lee Gieseke Weds Russell Horton

Sandra Lee Gieseke, daughter of Mr. and Mrs. LeVern D. Gieseke, of Bristol, Wis., became the bride Feb. 1 of Russell Eugene Horton, Jr., son of Mr. and Mrs. Russell E. Horton, Sr., Kenosha, Wis., in ceremonies held in Christ Lutheran Church, Padlock Lake, Salem, Wis.

Pastor Lewis G. von Trott conducted the double-ring ceremony. The bride was attended by Miss Geraldine Mueller as her maid of honor, and best man was Terry Curavo with Tom Bobula and Bob Heinsohn serving as ushers.

Special music was supplied by Miss Betty Klemko accompanied

on the organ by Miss Cherie Winfield.

The bride is a 1968 graduate of Central High School, Salem, while the groom graduated from the same school in 1967.

The new Mrs. Horton is employed as typist at Southern Wisconsin Colony, Union Grove, Wis., while her husband is employed at the Hoerner Box Co., Gurnee.

The couple were guests of honor at a reception for 100 persons hosted by Debbie Hewitt and Sarah Price. They are at home in Bristol after a honeymoon at Lake Delton and skiing at Cascade Mountain.

Susan Ann Masek

Announce Engagement

Mr. and Mrs. Laddie Masek, Rt. 4, Antioch, have announced the engagement of their daughter, Susan Ann, to Michael L. Grefkowitz, son of Mr. and Mrs. Leonard Grefkowitz, Cross Lake, Wis.

Susan is a 1968 graduate of Antioch High School and is now attending the Mueller Beauty School in Waukegan. Michael is a 1965 graduate of Salem Central High School and a veteran of Vietnam. He is now working as a service engineer for the Central Service Co. in Chicago. A July wedding is planned.

Twins Club Will Hold Style Show

The Lake County Mother of Twins Club will hold its annual style show, "Swing into Spring," sponsored by Robert Hall Thursday, March 13, at 7:30 p.m. in the Zion Library, Zion.

It will certainly be a unique sight to see doubles of all ages modeling the newest spring styles in addition to other family members.

"The Lord God hath given me the tongue of the learned, that I should know how to speak a word in season to him that is weary; he wakeneth morning by morning, he wakeneth mine ear to hear as the learned." This verse is part of the Bible Lesson-Sermon titled "Mind," and will be read in all Christian Science churches this Sunday.

Services at First Church of Christ, Scientist, BEACON HILL, Rte. 173 and Harden, Antioch, Ill., will begin at 11 a.m.

One of the selections to be included from the denominational textbook is the following: "Mind is not necessarily dependent upon educational processes. It possesses of itself all beauty and poetry, and the power of expressing them. Spirit, God, is heard when the senses are silent" (Science and Health with Key to the Scriptures by Mary Baker Eddy.)

Fear of unforeseen emergencies seems to possess many people. But trust in God as ever-present Love can be a real help. Such trust quiets fear. It gives the strength to act wisely if a crisis does occur. Listen February 23 at 9:30 a.m. on WAIT 820 kc to "OVERCOMING FEAR OF EMERGENCIES."

Jacqueline Lee LaValley

Engagement Announced

Mr. and Mrs. Roy LaValley, of 1020 Montclare Ave., Racine, Wis., announce the engagement of their daughter, Jacqueline Lee LaValley to Thomas Michael Wojnowiak of Rt. 1, Box 27, Antioch.

Miss LaValley is presently employed at the Racine Police Department doing clerical work and Wojnowiak is an apprentice in heating and air conditioning at the V. A. Smith Co., Chicago.

An August wedding is planned.

Osterlund Active In Fraternity

Al Osterlund of Antioch, has become an active member, LEAC Fraternity.

LEAC is located on the campus of Southern Illinois University where Al is a sophomore majoring in Agricultural Economics.

LEAC was founded in 1962 as a social-professional fraternity of students majoring in agriculture and related fields, seeking a better understanding and stronger brotherhood with others interested in agriculture or with agriculture backgrounds.

Thinking is very far from knowing.

Painting Exhibit At Barat

An exhibit of paintings by Chicago artist Ralph Arnold will be on display through the month of February in the Drake Gallery of Barat College, Lake Forest.

The exhibit, arranged by Professor Albert K. Poulton of the college's Art department, are excellent examples of Arnold's recent works, for which he has received many prizes and awards.

Examples of his collages and constructions are included in "College and Found Arts," published by Rheinhold & Co., in 1964, and in "Creating Art from Anything," published by Reilly and Lee in 1968. Arnold is also represented in "Prints by Negro Artists," published by the Cultural Exchange Center of Los Angeles, Calif.

Arnold has taught at the Hyde Park Art Center, Chicago, the Countryside Art Center, Arlington Heights, and the Rockford Art Association, Rockford. More recently he was Associate Visiting Professor of Art at Rockford College.

Drake Gallery is located on the campus of Barat College, 700 Westleigh Road, Lake Forest. The Gallery is open to the public daily from 9 a.m. to 9 p.m.

Explorer Post Meets

Explorer Post 91 met at the United Methodist Church Feb. 6 to discuss the possibility of reorganization.

After presentation of the many opportunities in the field of water safety it was decided to establish this as their main interest.

Dan Dugenske gave the presentation and is a member of the Post Committee. Other members are Gordon DeBoer, chairman, Harry Green and the Post adviser will be Robert E. Geiger who is experienced in all phases of water safety.

Many boys indicated their interest in having such a Post. Meetings will be held in the church on Thursday evenings. Further details of their plans will be worked out at their first meeting.

Paul Thompson, North West District Executive was present to help with the reorganization.

Mrs. Alan Windahl, of Rt. 2, Box 470-E, Antioch, has been named Employee of the Quarter in her division at the Navy Electronics Supply Office at Great Lakes. Mrs. Windahl is a clerk-typist. Her picture and other winners will be posted in the work area for the quarter ending in March.

Garden Club Will Visit Hauserman's

Once again friends of the Antioch Garden Club are invited to share an outing with this group. This time they plan to visit Hauserman's Orchids Open House in Villa Park on Monday, Feb. 24th.

Club members who have been to Hauserman's say that the display of exotic orchids is incredible and one must see them to believe that such gorgeous blooms really exist. Since there are a limited number of seats available on the bus, if you are interested in going, please call Mrs. Lloyd Leable, 395-4209, to reserve a place for you.

The reservation deadline is Friday, Feb. 21.

The bus will leave the Antioch Savings and Loan parking lot at 11 a.m. The bus fare of \$1.50 does not include the luncheon at the Stevens Steak House.

The tour committee, headed by Program Chairman Mrs. James Shinkunas, is planning a delightful day for all.

Call 395-4111 to place a Society or News Item.

Where The Boys Are

Pfc. Kenneth M. Delatree, son of Mr. and Mrs. Frank Delatree, of Rte. 1, Box 220, Antioch, is stationed in Vietnam with the 3rd Quartermaster Detachment.

Delatree would like to hear from his friends in Antioch and so supplied us with his address. It is:

Pfc. Kenneth M. Delatree
US 54825202
38-3rd QM Det. "AC"
San Francisco, Calif. 96391.

Sgt. Michael J. Haley, 26, son of Mr. and Mrs. Thomas F. Haley, Jr., Rte. 3, Box 818, Antioch, is with the UAS Stratcom, Comm. Opns. Bn., Taegu, Korea. Sgt. Haley is in a communications center special. He received his basic training at Ft. Leonard Wood, Mo., and Ft. Gordon, Ga., and went overseas April 1, 1968.

DAYTON, Ohio—Major Elwood C. Kuske, son of Mr. and Mrs. Elmer J. Kuske of 415 Lake Shore Dr., Lake Villa, has arrived for duty at Wright-Patterson AFB, Ohio.

Major Kuske, a pilot, is assigned to a unit of the Air Force Systems Command. He previously served at Naha AB, Okinawa.

The major, a graduate of Carl Schurz High School in Chicago, received his commission in 1955 upon completion of the Air Force Reserve Officers Training Corps program at Coe College in Cedar Rapids, Iowa, where he earned his B.A. degree. He holds a B.S. degree from Washington State University.

His wife is the former Joan Willins.

VIETNAM, Jan. 29—Marine Private Larry J. Clark, son of Mr. and Mrs. Richard J. Clark of Route 3, Grapevine Ave., Antioch, is serving with I Company, Third Battalion, 12th Marines, Third Marine Division at a fire support base in South Vietnam.

The base is located south of the demilitarized zone, about midway between the Gulf of Tonkin and the Laotian border.

The artillery battery, with its six 105mm guns, supports units of the Fourth Marines conducting combat operations throughout the northernmost tactical zone of the republic.

80,000-ton carrier was operating with the Sixth Fleet in the Mediterranean. Independence pilots logged 24,500 aircraft takeoffs and landings during various exercises.

While deployed the Independence crewmen celebrated the ship's 10th anniversary of commissioned service. In 10 years the Norfolk-based carrier has made one combat deployment off the coast of Vietnam, participated in NATO exercises in the Norwegian Sea, and completed six Mediterranean cruises.

SHERMAN, Texas — Lieutenant Colonel Adelbert D. Shereck, son of Mr. and Mrs. A. D. Shereck of 1306 Danny Lane, Lake Villa, has arrived to assume the position of base civil engineer for Perrin AFB, Texas.

Colonel Shereck served at Da Nang, Phan Rang and Nha Trang Air Bases in Vietnam, prior to his appointment at Perrin.

During World War II, he was assigned to the European Theatre of Operations and is a veteran of the Korean War.

A graduate of Thomas Kelly High School, Chicago, he attended Morgan Park Junior College, Chicago, and received his B.S. degree in architecture from Chicago Technical College in 1949.

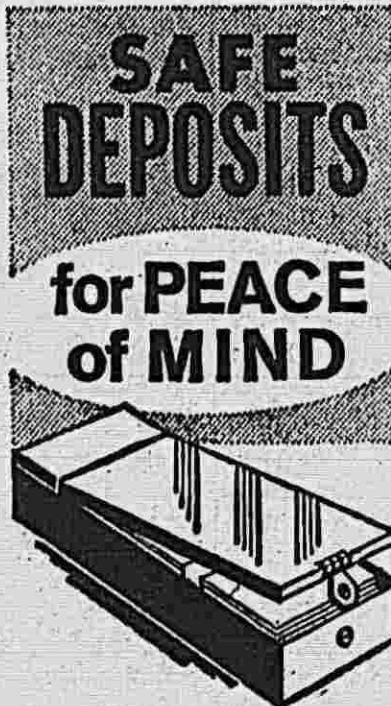

The colonel's wife, Joan, is the daughter of Mr. and Mrs. Ray Guintou of 305 Circle B, Colorado Springs, Colo.

VIETNAM, Jan. 29 — Marine Corporal Ralph G. Schwartz, son of Mrs. Joseph M. Kolas of Rte. 3, Lake Villa, and husband of the former Miss Duann L. Wendt of 119 Carol Lane, Grayslake, is serving with the First Tank Battalion, First Marine Division in South Vietnam.

The battalion supports the division's infantry units in combat, providing direct support fire. The tankers have road building and river fording capabilities. By using the blade on the "blade tank," similar to a bulldozer, the tankers can cut roads through dense Vietnamese terrain in order to provide supporting fire to the infantry.

LONG BINH, Vietnam—Army Second Lieutenant Clement J. Haley, 22, son of Mr. and Mrs. Thomas F. Haley, Jr., Trevor Rd. Rt. 3, Antioch, Ill., was assigned to the 2nd Signal Group near Long Binh, Vietnam, Jan. 6.

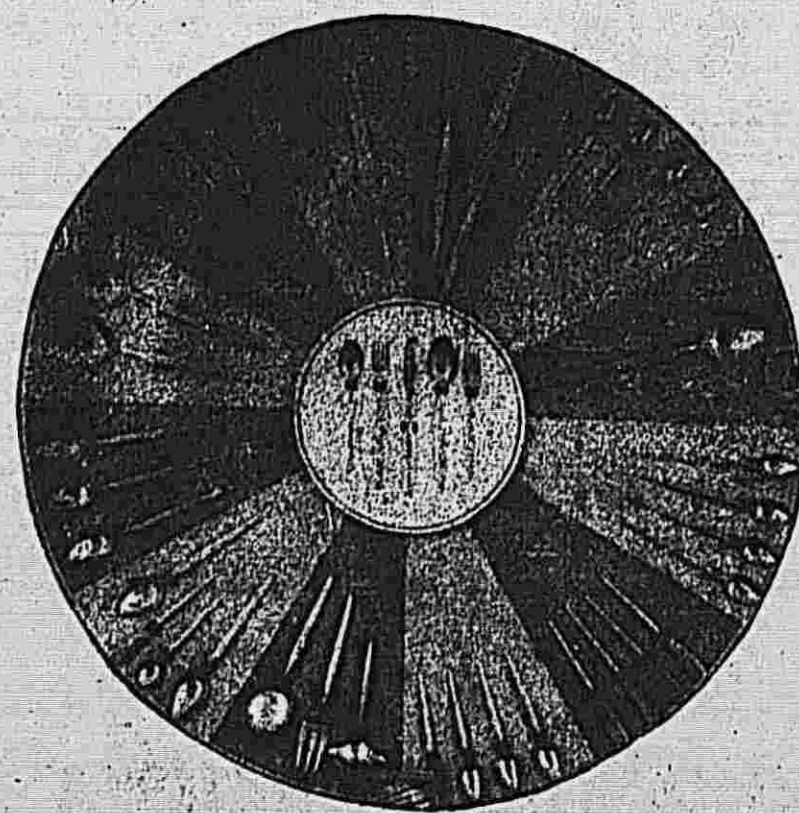

Fireman Robert L. Severs, USN, son of Mr. and Mrs. Hubert B. Severs of 505 Piper Lane, Lake Villa, returned to Norfolk, Va., aboard the attack aircraft carrier USS Intrepid after completing an eight-month combat cruise off the coast of Vietnam. Since leaving in June 1968 for its third consecutive Vietnam de-

Clementine Fathema, pictured here, will not be entered in the 9th Annual Lincoln State Cat Club Show at Ford City, Chicago, on Feb. 22 and 23—but her daughter, Tammy will. Fathema is owned by Mrs. Dominic MacEllaro, of 211 Valley Drive, Lindenhurst, and is a champion. Proceeds go to the scholarship fund for veterinary students at the University of Illinois.

Concert Will Feature Music By Mozart

An evening of Mozart is scheduled for the second Lake Forest Symphony concert, of the Community Music Association's 1968-69 series.

The program will open with the "Overture to the Marriage of Figaro", K.492, to be followed by Symphony No. 41, K.551 "Jupiter".

The feature of the evening will be "The Impresario" (Der Schauspieler), comic opera in one act, K.486 with soloists: Diana Ragains, Nancy Sylvester, Edwin Kemp, Vincent Allison, and James McEnery who sings as a principal as well as serving as stage director.

Victor Altay, co-concertmaster of the Chicago Symphony is Music Director of CMA and conductor of the Lake Forest Symphony. There are 65 local north shore musicians who make up the membership of the symphony, which is in its twelfth year.

Altay is serving his second year as conductor.

Antioch To Honor Its Former Mayor

On March 29, St. Peter's Church will hold its first annual VIP Dinner-Dance, at which time all of Antioch will be invited to join in honoring former Mayor of Antioch and star athlete, Jim McMillen.

King Jaros will provide the music for the affair, which will benefit St. Peter's and at the same time honor a man who is a credit to the Antioch Community.

Tickets for the Dinner-Dance are \$5 per person and are available in advance at the State Bank of Antioch, First National Bank and Antioch Savings and Loan Association. Tickets will not be sold at the door.

School Offers Scholarships In Business

Eight scholarships, each having a value of \$100, will be awarded by MacCormac Junior College for 1969-70. Awards will be made on the basis of competitive examinations to be held at the school on Saturday, March 15.

The examinations are open to public and parochial high school seniors. Applicants must be in the upper-third of their graduating class. Application blanks may be obtained from high school guidance counselors and business teachers in the eight-county area designated as Chicagoland. March 3 is the deadline for returning the applications to MacCormac, to take the tests.

The scholarships may be used by the recipients to pursue a two-year degree program in Professional Accounting, Business Administration, Data Processing, Court Reporting, or Professional Secretarial Studies.

Rainbow Girls Plan Skating Party Sunday

Antioch Assembly No. 23 Order of the Rainbow for Girls held its second regular meeting Monday, Feb. 10.

Plans were discussed for the annual candy sale and for a toboggan and skating party to be held Sunday, Feb. 16 at Mrs. Brunk's home.

candidate of the date, and time for arrival.

Salem Central Has 141 On Honor Roll

Salem Central High School reported that 141 students made honors grades during the semester just ended.

Seventy-two students made first honors and 69 made second honors in the grading.

They were:

FIRST HONORS—

Grade 12

Peggy Amato, Jackie Becker, Jane Chapman, Karen Daniels, Dale French, Lynne Grams, Gary Hartnell, Glenn Hollister, Gail Johnson, Lamar Karow, Steve Knutson, Terry Kutz, Jerome Seltz, Kerry Shannon, Barbara Terry, Sigrid Lacy Turner, Deborah Wutke, Carolyn Young, Tony Zwirgdsas.

*Straight A's:

SECOND HONORS—

Grade 12

Martha Becker, Tom Day, Judy Fless, Mary Frederking, Dolores DeRidder, Connie Glas, Jerry Halbach, Robin Holm, Betty Klemko, David Krogh, Judy Licher, Bob Ludwig, Nancy Michaels, Henna Steinbach, Gayle Simpson, Don Zirbel.

FIRST HONORS—

Grade 11

Patricia Burke, Pam Corlberg, Joan Chaput, Janice Funk, Becky Greslik, Sally Hewitt, Jean Kernen, Sue Kessler, Phil Knitge, Barbara Koenecke, Lisa Lichter.

Dolores Lilly, Cher Ludwig, Karen Maaske, Keith Niles, Patty Odell, Pat Olsen, Lenore Sakowski, Kathy Streety, Peggy Turner, Barbara Wilson, Diane Vanderwerff.

SECOND HONORS—

Grade 11

Lisa Beckman, Kathy Badtke, Greg Bennett, Michael Burke, Karen Erickson, Jeff Gahart, Vella Gomez, Jan Hall, Joni Illges, Lenee Karow, Rose Kaslen, Mary Kirtan, Gary Miller, Virginia Parker, Debby Rigert, Linda Schultz, Bonnie Stollenwerk, Kathleen Thums, Mary Velasquez, Tom Weinholtz, Charlene Zirbel.

THE ANTIOCH NEWS 6

Sequoits Sophs Split 2 Games

The Sophs split in two away games last weekend.

In a closely contested game with Grayslake's sophomores on Friday night, Antioch committed an exceptional number of mental and mechanical errors and lost 61-62. The game's high scorer was Stickle's of the Rams with 29 points. The loss gives the Sequoits a 10-3 conference record.

To amend the previous night's poor performance, the Sophs beat a fine Zion-Benton sophomore team on Saturday night 61-57.

The Zee-Bees' Rogers had the game's high of 13 points; however, Antioch's scoring was balanced over seven players.

The Sophs close the season this Friday against Wauconda on the Sequoit floor and will be looking for their 15th win against 9 losses.

There are 93 two-way radio channels available to the trucking industry. The industry has 4,800 base stations and 65,000 mobile units, which provide instant communication between dispatchers and drivers.

Jim Weiss lets one go and sinks a basket as he tosses it over the outstretched arms of his Zion opponent.

Antioch Stuns Grayslake, Avenges Earlier Defeat

Playing inspired basketball, the Antioch Sequoits beat the Grayslake Rams 77-62 last Friday evening. Jim Shore played an outstanding game for the Sequoits, scoring 27 points and grabbing 12 rebounds. The victory was a sweet one, as the Sequoits avenged an early 63-58 defeat.

The two teams exchanged baskets during the first quarter, but with 11 seconds left Jeff Sterbenz scored on a lay-up to give the Sequoits a 15 to 14 lead. A

lead that continued to grow as the game went on.

With 5 minutes remaining in the second quarter, the score stood 23 to 22 Antioch. At this point, the Sequoits scored 15 points to only 6 for the Rams, to finish the first half leading 38 to 28. There was some fine team work offensively for the Sequoits during this spirited drive. Five players contributed to the scoring and the defense contained the Rams' offense.

As the third quarter opened,

the Sequoits continued to hold their 10 point lead. Against the Rams' press, the Sequoits' shock Jim Shore open under the basket for easy layups as he and Jerry Martin did the scoring. Dave Camp and Jim Carlson handled the press very well, feeding Shore and Martin with fine passes.

Early in the fourth quarter, the Sequoits scored eight straight points to open a 19 point lead 64 to 45 with 5:26 left on the clock.

At this point the Rams scored 9 points to narrow the lead to 54 with 3:27 left. At this point, "Spark Plug" Weiss was sent in the game to help with the ball handling against the press. His hustle and drive resulted in six of seven free throws to move the Sequoits out of danger.

Dave Camp lead the team in assists with 10 and did a fine job as a playmaker against the press. Keith Bolton came through with another solid, steady game, scoring 16 points and recovering 9 rebounds. Martin used in a reserve role looked like he's returning to form with some fine hustle, scoring 3 baskets in the third quarter.

Stated Coach Andrews, "This was a real fine team effort, lots of hustle and some excellent passing. This could be the start for better things to come, the state district is only a week away, we can win it," added the Sequoit coach.

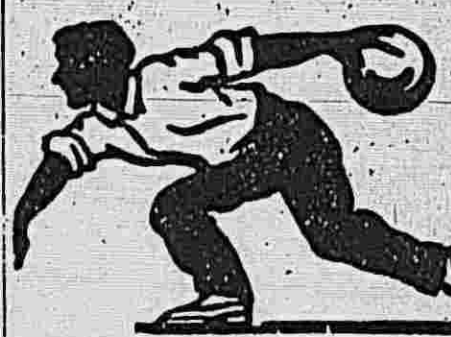

Steve Owens started the game, but after about 3 minutes of play

he re-injured his knee. At this time Steve is a doubtful player for the remainder of the season. "We will know more after Thursday, when Steve returns to the doctor for a check up," stated Coach Andrews. "We hope for the best," added the coach.

Sequoits Battle Next Week

Antioch High School's Sequoits will journey to Wauconda High School next week to participate in the I.H.S.A. District Tournament Feb. 25 through 28.

Coach Roger Andrews believes his team has as good a chance as any in the tournament to come out on top.

"Grayslake was seeded No. 1," Andrews said, "but we beat them and every other team that is in the district meet at Wauconda. It is just going to be a matter of a team getting hot for three or four days and we could just as well be that team."

Antioch will play Round Lake at 8:30 p.m. Wednesday, Feb. 26. Other teams in the district meeting, besides Antioch and Grayslake, are Stevenson, Warren, Wauconda, Grant and Lake Zurich.

The winner of the Antioch-Round Lake contest will meet the winner of the Grant-Lake Zurich contest in a game at 8:30 p.m. Thursday, Feb. 27.

Keith Bolton leaves the floor but doesn't get up high enough to keep the Zee-Bee guard from reaching the ball.

Legion Auxiliary

By Del Jahneke

Mrs. Bernard Stadick, President and District Community Service chairman; Mrs. Ray Rathmann, District Treasurer; Mrs. Edward Jahneke, District Publicity and Communications chairman; Mrs. Frank Kennedy, Unit Secretary; and Mrs. Walter Hills, delegate, attended the 10th District American Legion Auxiliary meeting, held at the Highwood American Legion Home, Feb. 12.

The guest of honor, Mrs. William Franzen, Libertyville, Second Division President, expressed her pleasure at being a guest of her own District. In addition to the 10th District, the 2nd Division is comprised also of the 11th, 12th and 13th Districts, with approximately 35,000 Legionnaires and 22,000 Auxiliary members. Mrs. Franzen urged all units to make more of an effort, membership-wise, since "time is running out" in obtaining this year's goal of 2,400 members in Lake County.

Mrs. John Mould, Wauconda, stated that 85 per cent of the membership is now paid. William Schroeder, editor of Lake County Publications, gave a talk on the value of good public relations for an organization. A Question and Answer session followed his speech.

The Shavin Unit, North Chicago, Junior members entertained the women, singing several stirring patriotic songs. They will give this same performance at the Department (state) Patriotic Conference, held at the Sherman Hotel, Chicago, Mar. 18.

Mrs. Richard Brady, Gurnee, District Director, had appointed Mrs. Jahneke as chairman pro tem of the nominating committee. The other four members elected were Mrs. Gerald Wegner, Lake Forest; Mrs. Preston Hayes, Baxter Evans; Mrs. William Schultz, North Chicago; and Mrs. Herbert Gleason, Libertyville. Mrs. Jahneke requests that units wishing to sponsor a prospective district officer, send their recommendations and the qualifications of their candidate to her, as soon as possible.

A joint Child Welfare meeting of the 10th District American Legion and the Auxiliary, will be held on March 2nd at 2 p.m. at the Gurnee American Legion Home. District Co-Child Welfare Chairman John Jones, North Chicago, and Mrs. Ted Odom, Libertyville, would like to see all post and unit child welfare chairmen, post commanders and unit presidents, in attendance. Plans will be formulated for the District Child Welfare Picnic in May for the children from the four Lake County Children's Homes. Mrs. Walter Hills is the

Lindenhurst News

Mrs. Bernice Bernau
Elliot 6-5849

HONORED

Lake Bluff Police Chief Christian Elbert was honored Jan. 29 in the Illinois General Assembly for a "job well done."

Chief Elbert is the father of Mrs. Thomas Roberts of 2400 E. Grand Ave., Lindenhurst.

The House adopted a resolution, sponsored by Rep. W. J. Murphy, R-Antioch, stating that "all of the honor and pride that residents of this state can bestow for a job well done" be bestowed upon Chief Elbert."

Elbert, a member of the Lake Bluff Police Department since 1943 and its chief for 22 years, will retire this month.

CARIBBEAN CRUISE

After saving \$48 green stamps for ten years, Mrs. Earl (Ing) Spleger, 62 N. Fairfield Rd., Lindenhurst, finally saw her dream come true. Friday, Jan. 10th, she and her husband flew to New York where they boarded a cruise on Saturday, to take them on a Caribbean cruise for one week, all expenses paid for them by her stamp books.

Sunday evening was welcome night. Everyone was introduced to the captain and his officers. Tuesday they arrived in Freeport. The weather was beautiful. They went on a tour and shopped. In the evening they saw native dancers.

Wednesday, they arrived in Nassau, an old English town. While on a tour, they visited an old fort that was hand-hewn out of solid rock, done by slave labor.

Thursday they started for home. Friday night they had a farewell dinner on the boat. They docked in New York around 9 a.m. Saturday and flew to Chicago, arriving at O'Hare around noon, where Andy Westberg picked them up.

Mrs. Spleger said it was well worth waiting ten years for, and now she will start saving up for another trip.

DIAPER SET

Mr. and Mrs. Paul (Vin) Brown, 2403 Valley Drive welcomed their third son at St. Theresa Hospital on Jan. 28. Andrew John weighed 8 pounds, 1 ounce at birth. His big brother Paul is 3½ and brother Tony is 2½ years old. The proud grandparents are Mr. and Mrs. Tony Rutkowski of Waukegan and Mr. and Mrs. Ralph Brown of Mundelein, Pa.

Mr. and Mrs. James (Joan) Hussey, 274 Beck Road are the

Altar and Rosary Society of that church. She married Harold J. Kelly on May 27, 1961 at Rochester, Minn.

Survivors are her husband, Harold Kelly, Antioch, one son, Dr. William R. Kennedy, St. Paul, Minn., two sisters, Mrs. Mary O'Brien, Green, Iowa, and Mrs. Agnes Neal, Allison, Iowa, two brothers, Charles Daley, of Green, Iowa, and Sidney Daley, of Allison, Iowa, and five grandchildren.

A funeral mass was held at 10 a.m. Saturday at St. Peter's Church in Antioch. Interment was in Ascension Cemetery at Libertyville. Parish prayers were recited at 8 p.m. Friday at Strang's Funeral Home in Antioch.

PAUL K. ROSENREITER
Paul K. Rosenreiter, 57, of Knolls Subdivision at Twin Lakes, Wis., died Monday, Feb. 17, in St. Luke's Hospital, Racine, Wis., after a long illness.

He was born Nov. 24, 1911 in Augsburg, Germany and came to America in 1923 to reside in Chicago until moving to Wisconsin in 1950.

He had worked as a tool and die maker for Heppner Mfg. Co., Round Lake, for 8 years. He married Alice Hassel on April 1, 1939 in Chicago.

Survivors are his widow, one son, Walter H. Rosenreiter, Wilmet, Wis., one daughter, Mrs. Betty Anne (James) Ratcliff, of Twin Lakes, one brother Otto Rosenreiter, Whittier, Calif., one sister Mrs. Paula (James) Bauman, Lake Arrowhead, Calif., and six grandchildren.

Services were held at 1:30 p.m. Wednesday in the Strang Funeral Home, Antioch.

Rev. G. Borreson of Messiah Lutheran Church at Twin Lakes officiated.

pride parents of a little girl born January 24 at Victory Memorial Hospital. Victoria Lee weighed 8 pounds, 12 ounces when she was born. Her sisters are Kathryn, 8 years old and Rebecca, 6 years old. The grandparents are Mr. and Mrs. Fred Hocking of Northbrook, and Mr. and Mrs. Dwight Hussey of Portmouth, Va.

SYMPATHY NOTE

Sincere sympathy is expressed to Mrs. Nancy Straka on the death of her mother, Mrs. Nancy Kempka.

BIRTHDAYS

A very happy birthday is wished to Ray Tiedeman, Bob Grant, Barbara Hendrickson, Mary Wiczorek, twins Ronda and Wanda Marshall, Kathleen Neubauer, Tracy Arthur Landt, Kathleen Garcia, Carol Orbank, Mike Pearce, twins Mary Rebecca and Mary Renee Wolff, Edward Charles Fuerst and Patty Pearce.

ANNIVERSARIES

Congratulations to Robert and Marcia Currie on their third wedding anniversary Feb. 12. Also to Tony and Linda LaBarbera on their first wedding anniversary.

HOME FROM HOSPITAL

Charles Wullenbuecher of Cedar Avenue, Lake Villa, was operated on at Condell Hospital in Libertyville Dec. 19. After being there for six weeks, he is now at home. Mr. Wullenbuecher, a young man of 33, has been associated with the Lake Villa Library for many years, donating many books and serving as janitor. He expresses his thanks to all his friends for their cards, gifts and well wishes.

Bill Collins, our mailman, is home from St. Theresa hospital. Martin Gibbons also is home from St. Theresa hospital.

Thirteen year old Jimmy Todd was rushed to Victory Memorial Hospital Feb. 1. He suffered a concussion after falling on the ice. He came home last Thursday. He is the son of Mr. and Mrs. Frank Todd of 415 Thornwood Drive.

GARDEN CLUB

The Lindenhurst Garden Club met at the home of Mrs. Julius (Marge) DeSomer, 203 Briar Lane Tuesday evening, Feb. 18. Paul Swartz of Wilmet, Wis., showed slides and gave a talk on pruning bushes and trees.

BIRTHDAYS

Harold Sokup receives of belated birthday wishes this week. He was 51 years old Feb. 3. A very happy birthday is wished to Cordy Wick, Paul Speidel, Harley Jenevins, Laura Ann DeRousse, Dennis Stanley, Joseph Raymond Halek, John Lindberg, Mrs. Harriet Bonovitz, Dorothy Golden, Georgia Sutherland, Dawn Mindak, May Hunt, George Gast, Louis Rachl, Cindy Mauck, and Wendy Ann Mullan.

The surest way to get a job done is to give it to a busy man. He'll have his secretary do it.

Bowling Tournament Under Way

The annual bowling tournament at the Antioch Bowling Lanes, Inc., located at Rtes. 59 and 173 got under way last Saturday, Feb. 22.

Local bowler Roger Leaf, of Wilton's Electric team, will try his luck with some of his team mates on the opening night.

At 5:40 p.m. Clare Harms, last year's Lady's Champion, will try to defend her laurels that brought her the winner's trophy, plus \$200 in cash.

At 8:00 p.m. Betty Heath, also a local bowler, will be trying for that top prize.

At 8:20 p.m. Pete Mattoni and

ALTAR AND ROSARY

The main topic of business discussed at the Prince of Peace Altar and Rosary Sodality meeting, was having a membership drive. In order to raise the necessary funds to obtain a grapho-analysis, a bake sale will be held March 2. All members will be asked to bake or make a cash donation.

Several women volunteered to be on the Spring Function April 16. Ladies also offered their services for the annual Salad Bar Luncheon to be held in July.

Mrs. Vernetta King, president, named her chairladies for the various committees: Mrs. Craig Rickey, Community Affairs; Mrs. Richard Mauck, Library; Mrs. Renee Skora, Our Lady of Volunteers; Mrs. Jenny Volpentesta, Program; Mrs. Betty Coidlge, Social Hostess; Mrs. Bernice Bernau, Publicity.

Father David Lynch, pastor, reported that he attended the Altar and Rosary meeting at St. Peter's Church in Antioch. Mr. Clark of Downey Hospital told of the need for ladies to visit Downey Hospital and patients at home. He also showed slides of volunteer work done by women of the area.

Father Lynch announced that a Summer Festival would be held this summer to raise funds to help keep the school open. No date has been set but it most likely will be in August. He reported that a Catholic school in Wilmet will be closing its doors this June. Once a school closes it will not get its teaching Sisters back, again.

his family of bowlers will toe the foul line. Young Danny Mattoni was a big money winner two years ago.

LEADERS IN MEN'S GAMES

J. F. Parieky, Oak Park, Ill., was high bowler with 720 pins. Charles Bernardi, Highland, had 691, and John McManamon, of Oak Park and George Schray tied with 675.

THE LADIES

In the ladies department, Gwen Neau, a local bowler and member of the Antioch Women's Classic, took first place with a towering 666. June Troyer, also of Antioch, is second with 632.

SUNDAY

At 9:20 Mike Badame, one of the best Waukegan bowlers and a member of the Volo Bolt Shop team in the Antioch Bowling Lanes Major league will take to the lanes.

Also at the same time will be in action one of the past bowlers in the Chicago Classic League and now a local bowler (Wade) with some of the best bowlers of Waukegan will be here.

NOTICE OF SPECIAL ELECTION

School District Number 33, Lake County, Illinois

NOTICE is hereby given that on Saturday, the 22nd day of March, 1969, a special election will be held in and for School District Number 33, Lake County, Illinois, for the purpose of voting upon the following proposition:

Shall the maximum annual tax rate for the educational fund of School District Number 33, Lake County, Illinois, be increased and established at 1.24 per cent on the full, fair cash value of taxable property as equalized or assessed by the Department of Revenue instead of 1.03 per cent, the maximum rate otherwise applicable to the next taxes to be extended for said purpose?

(a) The approximate amount of educational taxes extendible under the maximum rate now in force in said School District is \$50,948.95.

(b) The approximate amount of educational taxes extendible under the proposed increased rate is the sum of \$61,336.60.

That for the purpose of said election said School District has one election precinct, and the polling place for said election shall be in the Emmons Grade School Building, Route 59, Lake County, Illinois.

The polls at said election will be opened at twelve o'clock Noon and will be closed at seven o'clock P.M., on said day.

By order of the Board of Directors of Emmons Grade School District Number 33, Lake County, Illinois.

DATED this 11th day of February, 1969.

DONALD L. FISCHER

President of the Board of Directors of School District Number 33, Lake County, Ill.
George L. Hall
Clerk, Board of Directors of School District Number 33, Lake County, Illinois.
